

7 Night Cruise!

From Malaga, Spain to Portugal and the Canary Islands!

September 29 - October 6, 2012

Most people fantasize about going on a cruise as their lifetime dream... In Carico, dreams do become a reality as we set sail to visit 3 amazing destinations and discover new places that we've never been to before. Our adventure starts in the beautiful city of **Malaga, Spain**; birthplace of the famous Spanish painter Pablo Picasso. Visit the museums, as well as the magnificent Cathedral of Malaga and the Gibralfaro castle and Alcazaba.

After enjoying one day at sea, pampering yourself at the ship's spa or just relaxing by the pool and enjoying all the ship's amenities, you will arrive at the port of **Funchal in Portugal** where you can experience the wonderful scenery and stunning natural formations on the island of Madeira. Take a scenic drive along the coves and bays of Madeira's coastline and past the colorful fishing village of Câmara de Lobos. Stop for photographs at Cabo Girão, the second-highest sea cliff in the world.

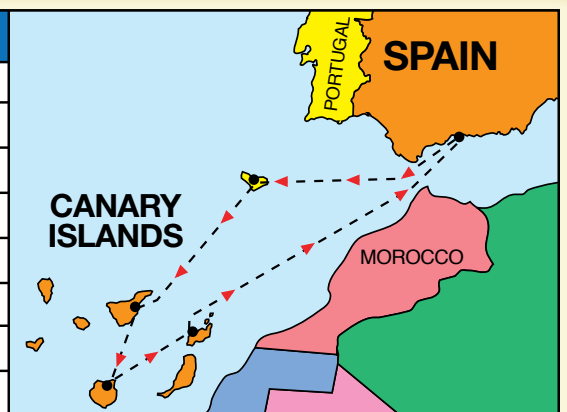

The next day you will arrive at **Tenerife in the Canary Islands** where you don't want to miss its mysterious pyramids. Enjoy a panoramic city tour of Santa Cruz and visit Pyramid Park, an area discovered by the world-famous adventurer Thor Heyerdahl.

After another great night at sea, trying your luck in the casino, enjoying a great show or dancing the night away, you will arrive at the capital city of **Las Palmas, on the island of Gran Canaria**. There are plenty of museums, theatre, music, shopping, restaurants, and even a beach, Las Canteras, right in the center of the city.

Next discover the magic of **Lanzarote** by exploring the spectacular volcanic landscapes which seem to come from distant planets, and where the heat from the center of the earth shoots to the surface. Relax in the peaceful beaches of white sand and transparent water, and take in the impressive views of the small islets that can be glimpsed from the cliff tops.

This will be your chance to experience life at its finest! Don't miss it!
